**MAPLE KI FOREST SPIRIT WATERS**

“Maple Ki Forest Spirit Waters” is found on 33 acres of mixed forest with over 1600 feet of private waterfront on Cade Lake. Enjoy a refreshing swim; wade in from the sandy beach or dive in off the dock. Direct access into the Salmon River offers canoeing and kayaking with breathtaking scenery. With only one other home on the lake, and no access for speedboats, you will experience the utmost in privacy and tranquility.

Several woodland trails guide you to breathtaking scenic vista’s which are waiting to be painted. We will also be able to travel to the nearby historic villages of Tamworth or Camden East to fill our need for local architecture. The picturesque “Land ‘O’ Lakes” region, offers beautiful scenery, gently rolling countryside, quaint villages. Enjoy the beauty of the Canadian Shield at its best.

Inside “Maple Ki Forest Spirit Waters” you will find a spacious home with huge windows overlooking a gorgeous view of the lake and trees. Natural light, soaring pine cathedral ceilings, hardwood floors throughout; a magnificent floor to-ceiling brick fireplace and natural wood décor, create spaces that are open and light, yet warm and cozy.

**LOCATION**

We are located near the quiet hamlet of Tamworth, Ontario. Only 2 & ½ hours N.E. of Toronto, 40 minutes N.W. of Kingston, and 2 & ½ hours S.W. of Ottawa.

## **STUDIO**

We have a beautiful studio space with lots of natural light in case of a rainy day.

## **ACCOMMODATION**

Four light-filled, clean guest bedrooms, artistically decorated and supplied with cozy duvets, beckon a contented, peaceful slumber. The four bedrooms share 2 ½ bathrooms (no ensembles), providing ample amenities for all. Soothe and pamper yourself in the oversized Jacuzzi tub, with steaming water, scented oils and bath salts, then cuddle up into a cozy bath robe, which is supplied. Most of the beds are Queens that have been separated and tend to be a little narrower than an average single. We do have one room with a Queen and an average single. First come first serve is all we can offer. Maple Ki has been running for years as a Holistic retreat and they have never had any complaints and in fact just the opposite.

Maple Ki is smoke free and to respect others sensitivities, we ask that you don't wear strongly scented body care products or perfumes.

I will only be able to accommodate 8 painters a week plus myself makes 9 in total staying at the retreat. This makes a nice small group enabling me to give everyone lots of attention and instruction.

Based on **six night** double occupancy; including three meals per day, unlimited use of studio space; watercolour instruction; including taxes.
